Back to Black

Amy Winehouse

He left no time to regret Kept his dick wet With his same old safe bet Me and my head high And my tears dry Get on without my guyYou went back to what you knew So far removed From all that we went through And I tread a troubled track My odds are stackedI'll go back to black We only said goodbye with words I died a hundred times You go back to her And I go back to I go back to ... us I love you much It's not enough You love blow and I love puff And life is like a pipeAnd I'm a tiny penny Rolling up the walls inside We only said goodbye with words I died a hundred times You go back to her And I go back to We only said goodbye with words I died a hundred times You go back to her And I go back to Black, black, black Black, black, black I go back to I go back to We only said goodbye with words I died a hundred times You go back to her And I go back to We only said goodbye with words I died a hundred times
