

# Say Yes

[Elliott Smith](#)

I'm in love with the world through the eyes of a girl  
Who's still around the morning after  
We broke up a month ago and I grew up I didn't know  
I'd be around the morning after It's always been wait and see  
A happy day and then you pay  
And feel like shit the morning after  
But now I feel changed around and instead falling down  
I'm standing up the morning after Situations get fucked up and turned around sooner or later  
And I could be another fool or an exception to the rule  
You tell me the morning after  
Crooked spin can't come to rest  
I'm damaged bad at best  
She'll decide what she wants  
I'll probably be the last to know  
No one says until it shows and you see how it is  
They want you or they don't  
Say yes  
I'm in love with the world through the eyes of a girl  
Who's still around the morning after
