

# Hurts So Good

Astrid S

You fight me off like a firefighter  
So tell me why you still get burned  
You say you're not, but you're still a liar  
'Cause I'm the one that you run to first  
Every time, yeah  
Why do you try to deny it  
When you show up every night  
And tell me that you want me but it's complicated  
So complicated  
When it hurts, but it hurts so good  
Do you take it? Do you break it off  
When it hurts, but it hurts so good  
Can you say it, can you say it?  
Your love is like  
Your love is like  
It hurts so good  
Your love is like  
It hurts so good  
Every time that I swear it's over  
It makes you want me even more  
You pull away and I'm coming closer  
And all we ever stay is torn  
Baby, I don't know why I try to deny it  
When you show up every night  
I tell you that I want you but it's complicated  
So complicated  
When it hurts, but it hurts so good  
Do you take it? Do you break it off  
When it hurts, but it hurts so good  
Can you say it, can you say it?  
Your love is like  
Your love is like  
It hurts so good  
Your love is like  
It hurts so good  
Wide awake through the daylight  
Will you hold me like we're running a yellow light?  
Reach for you with my hands tied  
Are we dancing like we're burning in paradise?  
When it hurts, but it hurts so good  
Do you take it? Do you break it off  
When it hurts, but it hurts so good

Can you say it, can you say it?

Your love is like

Your love is like

It hurts so good

Your love is like

It hurts so good
