

# Flowers

## The Emotions

We (We) hold the key (Hold the key)  
To the world's (The world's) destiny (Destiny) Have you the feeling to shine your light  
Usin' the power, shinin' bright  
Years we've been searchin', born to be  
{Whoa, whoa, whoa, whoa, oh} All the good thing discovers, we're able to see  
Your heart's a fire, create for you, mmm, mmm, mmm, mmm  
Love and desire, hearts of two  
Mmm mmm mmm ooh hoo ooh ooh ooh  
Think it over (Yeah), ooh  
Life ain't a four leaf clover, (Oh, no it ain't) ooh  
Think it over (Brother), ooh  
Life ain't a four leaf clover, ooh (Ooh ooh ooh ooh ooh ) Love is a flower, from that a bud  
To spread its sunshine and make us love  
Beautiful colors shinin' though  
{Bless you, brother} Bless you, brother, {God is watching you} God is watching you,  
woo Think it over (Oh, ho, ho), ooh  
Life ain't a four leaf clover (No-no-no-no-no-no-no), ooh  
Think it over (You better), ooh  
Life ain't a four leaf clover (Mmm mmm mmm mmm ), ooh Love is a flower, let it shine on  
through {Oh, whoa, whoa, whoa, oh}  
All you know where it's comin' from, God is watchin' you, oh, yes, He is  
Oh, listen, this is the tower {Oh, whoa, whoa, whoa, oh}  
Let that flower bloom all over you, you, you, you, ooh ooh  
We hold the key (Brothers)  
To the world's (Come together and love) destiny  
(You see, it's like a flower sent from above)  
We (Let that flower bloom) hold the key (All over you and me)  
To the world's (All over the world) destiny  
(Do you know what I mean, woo, woo, woo, woo, ooh woo ) Woo woo, woo, woo, woo, woo,  
woo, woo  
Woo ooh  
Whoa, whoa
