

Memory

Andrew Lloyd Webber & Sarah Brightman

Memory
Turn your face to the moonlight
Let your memory lead you
Open up, enter in
If you find there
The meaning of what happiness is
Then a new life will begin
Memory
All alone in the moonlight
I can smile at the old days
I was beautiful then
I remember
A time I knew what happiness was
Let the memory live again
Burnt out ends of smokey days
The stale cold smell of morning
The streetlamp dies, another night is over
Another day is dawning...Daylight
I must wait for the sunrise
I must think of a new life
And I mustn't give in.
When the dawn comes, tonight will be a memory too
And a new day will begin
Sunlight through the trees in summer
Endless masquerading
Like a flower as the dawn is breaking
The memory is fading
Touch me!
It's so easy to leave me
All alone with the memory
Of my days in the sun...
If you touch me, you'll understand what happiness is
Look, a new day
Has begun
