

# Street Life (Single Edit)

## The Crusaders

I still hang around  
Neither lost nor found  
Hear the lonely sound  
Of music in the night  
Nights are always bright  
That's all that's left for me, yeah  
I play the street life because there's no place I can go  
Street life, it's the only life I know  
Street life and there's a thousand cards to play  
Street life, until you play your life away  
You let the people see  
Just who you wanna be  
And every night you sang  
Just like a superstar  
The type of life that's played  
A temptin' masquerade  
You dress and walk and talk  
You're who you think you are  
Street life, you can run away from time  
Street life, for a nickel, for a dime  
Street life, but you better not get old  
Street life, or you're gonna feel the cold  
There's always love for sale  
A grown up fairy tale  
Prince charming always smiles  
Behind a silver spoon  
And if you keep it young  
Your song is always sung  
Your love will pay your way  
Beneath the silver moon  
Street life  
Street life  
Street life  
Oh, street life  
I play the street life because there's no place I can go  
Street life, it's the only life I know  
Street life and there's a thousand cards to play  
Street life, until you play your life away  
You let the people see  
Just who you wanna be  
And every night you sang  
Just like a superstar

The type of life that's played  
A temptin' masquerade  
You dress and walk and talk  
You're who you think you are  
Street life, you can run away from time  
Street life, for a nickel, for a dime  
Street life, but you better not get old  
Street life, or you're gonna feel the cold  
There's always love for sale  
A grown up fairy tale  
Prince charming always smiles  
Behind a silver spoon  
And if you keep it young  
Your song is always sung  
Your love will pay your way  
Beneath the silver moon  
Street life  
Street life  
Street life  
Oh, street life  
Oh, street life  
Yeah, street life  
Street life  
Oh, street life
