

Here's to Us (feat. Slash)

Halestorm

We could just go home right now
Or maybe we could stick around
For just one more drink, oh yeah
Get another bottle out
Let's shoot the shit
Sit back down
For just one more drink, oh yeah Here's to us
Here's to love
All the times
That we fucked up
Here's to you
Fill the glass
Cause the last few days
Have kicked my ass
So let's give 'em hell
Wish everybody well
Here's to us Here's to us We stuck it out this far together
Put our dreams through the shredder Let's toast, cause things got better
And everything could change like that And all these years go by so fast
But nothing lasts forever Here's to us
Here's to love
All the times
That we messed up
Here's to you
Fill the glass Cause the last few nights
Have kicked my ass
If they give you hell
Tell 'em go fuck themselves
Here's to us
Here's to us Here's to all that we kissed
And to all that we missed
To the biggest mistakes That we just wouldn't dream
To us breaking up
Without us breaking down
To whatever's coming our way
Here's to us Here's to us
Here's to love
All the times
That we messed up Here's to you
Fill the glass
Cause the last few nights
Have kicked my ass

If they give you hell
Tell 'em go fuck themselves
(Go fuck yourself)
Here's to us
Here's to us
Here's to us
Here's to us
Here's to us
Here's to love
Here's to us
(Wish everybody well)
Here's to us
Here's to love
Here's to us
Here's to us
