

All In

YoungBoy Never Broke Again

[Intro]

OneHunnid on the beat
Goddamn, BJ made another one[Chorus]

I say how I feel

You should really listen

You?was?all mine

I be?all in[Verse 1]

Came up outta that dirt?but now I'm ballin'
And I don't need no church when?I'm?heaven-sent
Hope?God put the?loyalty in all?my friends
'Cause Lord knows I got they back to the end
Right now I'm recordin' with the mic' sittin' in my hand
I was with this on my left, where my styrofoam is
Got up out of Cypress, went to the Woodlands

Got a safe rollin' in my crib

Ain't no tellin' when I'ma have to use it

We all know how I live

Keepin' my gun everywhere I go

We all know I'm still in

Question my girl but our love strong

We all know how that is

Payin' for my daddy to come

Pray he get off the pill

Hopin' he take me away, get me from off of these pills
And come get me off this drank before my kidney say, Fail
Tell my son it made me calm, I don't know what I'm doin'
Tell my girl these hoes can't make me cum, I only want her to do it
Tell I'm straight goin' on ten days, my body ain't got no fluids

Please, oh, please don't die tryin', on the real

All alone, stocks and the shottas are unjudgemental

It ain't too far, I bought an M up where they left my name

Won't be that long, yeah, it'll be a while

'Til my love life right again, killas on side again

Butterflies, paradise, them bullets left out the wind

[Chorus]

I say how I feel

You should really listen

You was all mine

I be all in[Verse 2]

If I took the clean route, bank accounts got cleaned out
We would still be at war, ridin' with the mobs, tryna wipe the block down
.50 rounds at the bottom of that Glock, stealin' from mom's house

Steady screamin', Gang life, know my time comin' 'round

[Chorus]

If I say how I feel

You should really listen

If you was all mine

I be all in

If I say how I feel

You should really listen

If you was all mine

I be all in[Outro]

OneHunnid on the beat

Goddamn, BJ made another one
