

Make You Stay (feat. JMSN)

Kastle

Uh, oh, oh, yeah, yeah
Don't go, baby!
Baby, won't you stay with me?
Don't go, baby!
You know you ain't got to leave!
All the time you know I got you here!
All the time, what's gonna make you stay with me?
Cause, I've been waiting patiently
It always seems you got to me!
Baby, why don't you come back to me?
Baby!
Uh, uh, uh!
Uh, uh, yeah, yeah!
Don't go baby, don't go
Oh, oh, oh!
Don't go baby, don't go, yeah
Oh, oh, oh
I'm gonna make you stay with me
Cause I've been waiting patiently
It always seems you got to me
Baby, why don't you come back to me? Oh, yeah, yeah
Uh, uh, uh!
