So Cold

Breaking Benjamin

One by one
Hollow heroes seperate
As they runYou're so cold

Keep your hand in mine

Wise men wonder while Strong men dieShow me how it ends

It's alright

Show me how defenseless

You really are

Satisfied and empty inside.

That's alright

Let's give this another try

If you find your family

Don't you cry

In this land of make believe...

Dead and dryYou're so cold

But you feel alive

Lay your head on me

One last time...Show me how it ends

It's alright

Show me how defenseless

You really are

Satisfied and empty inside.

That's alright

Let's give this another try

Show me how it ends

It's alright

Show me how defenseless

You really are

Satisfied and empty inside.

That's alright

Let's give this another tryIt's Alright

It's Alright
