

# Pump It Up

## Elvis Costello & The Attractions

I've been on tenterhooks  
Ending in dirty looks  
Listening to the muzak  
Thinking 'bout this and that  
She said "that's that"  
I don't wanna chitter-chat  
Turn it down a little bit  
Or turn it down flat Pump it up, when you don't really need it  
Pump it up, until you can feel it  
Down in the pleasure centre  
Hell-bent or heaven-sent  
Listen to the propaganda  
Listen to the latest slander  
There's nothing underhand  
That she wouldn't understand Pump it up, until you can feel it  
Pump it up, when you don't really need it Hey! She's been a bad girl  
She's like a chemical  
Though you try to stop it  
She's like a narcotic  
You wanna torture her  
You wanna talk to her  
All the things you bought for her  
Could not get a temperature  
Pump it up, until you can feel it  
Pump it up, when you don't really need it Out in the fashion show  
Down in the bargain bin  
You put your passion out  
Under the pressure pin  
Fall into submission  
Hit and run transmission  
No use wishing now for any other sin Pump it up, until you can feel it  
Pump it up, when you don't really need it Pump it up, until you can feel it  
Pump it up, when you don't really need it Pump it up, until you can feel it  
Pump it up, when you don't really need it  
Don't really need it  
Don't really need it  
Don't really need it
