

Love

Kirk Franklin

Patient, love, kind, love, sweet, love, kind, love
Patient, love, kind, love, sweet, love, kind, loveLove a word that comes and goes
but few people really know what it means to really love somebody
love though the tears may fade away
i'm so glad your love will stay
cuz i love you and you showed me, jesus
what it really means to lovePatient, love, kind, love, sweet, love, kind, love
Patient, love, kind, love, sweet, love, kind, love
Love a word that comes and goes
but few people really know what it means to really love somebody
love though the tears may fade away
i'm so glad your love will stay
cuz i love you and you showed me, jesus
what it really means to loveThe nights that i've cried you love me
when i should have died you love me
i'll never know why you love me
its a mystery me now i'm glad i see jesusWhen all hope was gone you love me
You gave me a song that you love me
now i can go on cuz you love me
its a mystery to me now i'm glad i see jesusThe nights that i've cried you love me
when i should have died you love me
i'll never know why you love me
its a mystery me now i'm glad i see jesus
What it really means
what it really means
what it really means
To loveWhat it really means
what it really means
what it really means
To loveTo love...
Patient patient kind
That's love
To love...
Patient patient kind
That's love
To love...
Patient patient kind
That's love
To love...

Patient patient kind
That's love
ooh(to tune of verse repeat twice)
To love...
Patient patient kind
That's love
