

Dream On

Brooke White

Every time that I look in the mirror
All these lines on my face getting clearer
The past is gone
It went by the the dust of dawn
Isn't that the way?
Everybodys got their dues in life to pay
Oh I know, nobody lose
Where it comes and where does it go
I know it's everybody's sin
You got to lose to know just how to win
Half my life is in books written pages
live and learn from the fools and from sages
You know it's true
Oh all these things
Come back to you
Sing with me, sing for the years
Sing for the laughter singing for the tear
Sing with me, just for today
Maybe tomorrow the good lord will take you away
Sing with me sing for the years
Sing for the laughter singing for the tear
sing with me, just for today
Maybe tomorrow the good lord will take you away
Ooooooooooooooh! Ooooooooooooooh!
Ooooooooooooooh! Ooooooooooooooh!
Sing with me, sing for the years
Sing for the laughter singing for the tear
Sing with me, just for today
Maybe tomorrow the good lord will take you away
Sing with me sing for the years
Sing for the laughter singing for the tear
sing with me, just for today
Maybe tomorrow the good lord will take you away
Hey yeah yeah
Oh dream on! Dream on! Dream on!
Dream until the dream come true
Dream on! Dream on! Dream on!
Dream until the dream come true
So dream on! Dream on! Dream on!
So won't you dream on! Dream on! Dream on!
Ooooooooooooooh
Sing with me sing for the year

Sing for the laughter, Singing for the tear
Sing with me just for today
Maybe tomorrow the good lord will take you away
Sing with me sing for the year
Sing for the laughter, Singing for the tear
Sing with me just for today
Maybe tomorrow the good lord will take you away
Take you away
So won't you dream
So won't you dream
