

# Welcome to the World (feat. Rick Ross)

Kevin Rudolf

Welcome to the world, welcome to the world  
You got your popstar, I'll be your rockstar  
When it's a suicide, you call it superstar  
Check out the forecast,  
Predictions wont stop  
You get your fifteen, and  
Then they take the spot  
Let's go, let's go  
And then you're ready to go  
Let's go, let's go  
Cause it's the end of the show  
Let's go, let's go  
So just get ready to go  
Let's go, let's go  
Let's go, let's go  
All the time that you were gone,  
I thought about how things went wrong  
Now you're coming down to earth  
Ok, hello, welcome to the world  
She saw the bright lights  
She caught the fever  
She got contagious  
She never leave it  
So no more time spent  
And no more free shit  
In fact this free ride has  
Reached it's destination  
Let's go, let's go  
And then you're ready to go  
Let's go, let's go  
Cause it's the end of the show  
Let's go, let's go  
And when it's over, you'll know  
Let's go, let's go  
Let's go, let's go  
All the time that you were gone,  
I thought about how things went wrong  
Now you're coming down to earth  
Ok, hello, (welcome to my world)  
Welcome to the world  
Life's a tour, I'm so sure  
The ex will come before you exit girl  
No more games, I confess  
Far from lane I'm just so fresh  
While cubit lee?, it's the big boss  
You get on the block, mr Rudolf  
Kevin! 2 stars, hold your applause

Hold it down to y'all's all guitars  
Half my life I sacrificed  
But I only came to party tonight  
New chicks, get my drinks up  
Every weekend we can link up  
New rings, with the big cuts  
Only be the best sport, get your mix up  
I took my time she love me, me such  
When she closes her eyes it's  
What she thinks of  
Boss All the time that you were gone,  
I thought about how things went wrong  
Now you're coming down to earth  
Ok, hello, welcome to the world Welcome to the world  
Welcome to the world  
Welcome to the world  
Welcome to the world
