Welcome to the World (feat. Rick Ross)

Kevin Rudolf

Welcome to the world, welcome to the worldYou got your popstar, I'll be your rockstar When it's a suicide, you call it superstar

Check out the forecast,

Predictions wont stop

You get your fifteen, and

Then they take the spotLet's go, let's go

And then you're ready to go

Let's go, let's go

Cause it's the end of the show

Let's go, let's go

So just get ready to go

Let's go, let's go

Let's go, let's go

All the time that you were gone,

I thought about how things went wrong

Now you're coming down to earth

Ok, hello, welcome to the worldShe saw the bright lights

She caught the fever

She got contagious

She never leave it

So no more time spent

And no more free shit

In fact this free ride has

Reached it's destination

Let's go, let's go

And then you're ready to go

Let's go, let's go

Cause it's the end of the show

Let's go, let's go

And when it's over, you'll know

Let's go, let's go

Let's go, let's goAll the time that you were gone,

I thought about how things went wrong

Now you're coming down to earth

Ok, hello, (welcome to my world)

Welcome to the worldLife's a tour, I'm so sure

The ex will come before you exit girl

No more games, I confess

Far from lane I'm just so fresh

While cubit lee?, it's the big boss

You get on the block, mr Rudolf

Kevin! 2 stars, hold your applause

Hold it down to y'alls all guitars Half my life I sacrificed But I only came to party tonight New chicks, get my drinks up Every weekend we can link up New rings, with the big cuts Only be the best sport, get your mix up I took my time she love me, me such When she closes her eyes it's What she thinks of BossAll the time that you were gone, I thought about how things went wrong Now you're coming down to earth Ok, hello, welcome to the worldWelcome to the world Welcome to the world Welcome to the world Welcome to the world
