## Krewella & Diskord

This one is for the fucked up, chewed up, spit out, stepped on  
No luck, no fucks, tough love, half blood Stripped down, beat down, blacked-out, choking  
No sound, no crowd, burnt up, broken  
We're always eager for so much more '

Cause reality is a cancer and we've discovered the cure They took your money and your  
freedom and your time

They almost took it all but they'll never take you mind

This one is for the  
beggars

Stand up if you're feeling wreckless They don't understand that we're heartless  
We'll never be the same

So we take, take, take, 'til we get our fucking way

Beggars

Stand up if you're feeling wreckless They don't understand that we're heartless  
We'll never be the same So we take, take, take, 'til we get our fucking way

Take, take, take, take, take, take, take, take

Take, take, take, '

til we get our fucking way

Get our way

Get our fucking way

Beggars

Stand up if you're feeling

Get our fucking way

This one if for the sickness, dismissed, brushed off, stolen

Vicious feelings, force-fed your slogans

Blank words, torturers, tongue-tied

So just shut the fuck up, roll up

Light you and smoke it

Beggars

Stand up if you're feeling wreckless

They don't understand that we're heartless

We'll never be the same

So we take, take, take, 'til we get our fucking way

Beggars

Stand up if you're feeling wreckless

They don't understand that we're heartless

We'll never be the same

So we take, take, take, 'til we get our fucking way

Get our way

Get our fucking way

Beggars

Stand up if you're feeling

Get our fucking way  
Take, take, take, take, take, take, take, take  
Take, take, take, take, take, take, take, take  
Take, take, take, take, take, take, take, take  
Take, take, take, take  
Beggars  
This one is for the beggars  
Stand up if you're feeling wreckless  
They don't understand that we're heartless  
We'll never be the same  
So we take, take, take, 'til we get our fucking way
