

# K-TOWN

## Jay Park & Hit-Boy

Pulling up in K-TOWN yeah I'm feeling like the president  
U an outsider why u actin' like a resident  
I get all this money shit is lookin' like embezzlement  
I get all this money lookin' like I got a settlement  
Karaoke room turned strip club  
Poppin' soju bottles homie drink up  
We them K-TOWN riders never get stuck  
It's on lock when we slide like a Brinks truckK-TOWN bust it down  
K-TOWN bust it down  
K-TOWN bust it down  
K-TOWN bust it down  
Cocaine Bentley I don't never even drive it  
Supermodels next to me I ain't even excited  
Oriental features man she looking so exotic  
Couple soju bottles tell you it's gon' be a problemThis shit a mood  
This shit a vibe  
Turn off the sign  
Party all night  
This shit a mood  
This shit a vibe  
Keeping it live  
Keeping it liveK-TOWN bust it down  
K-TOWN bust it down  
K-TOWN bust it down  
K-TOWN bust it down  
Pulling up in K-TOWN yeah I'm feeling like the president
