

When We Make Love

Alabama

There's a light
In your eyes tonight
You know I'd know that look
Anywhere You got plans
And I'm one lucky man
Before we get so carried away
There's just something I've been wantin' to say
When
We make love
It's more to me than just an affair
I want you to know how much I care
When we make love
Oh, it's such a precious time
We share our hearts, our souls, and our minds
When we make love
Watching you
Make your little moves
I can tell it's gonna be
A long night All day long
We keep holdin' on
It couldn't be any better than this
I got it all at my finger tips
When
We make love
Oh, it's more than just an affair
I want you to know how much I care
When
We make love
Oh, it's such a precious time
We share our hearts, our souls, and our minds
These moments
These feelings
Mm-mm-mm
When
We make love
It's more to me than just an affair
I want you to know how much I care
When
We make love
Oh, it's such a precious time
We share our hearts, our souls, and our minds
Now let's make love
Sweet love
