## Cam'ron

Dead Or Alive" (Come Home With Me)(feat. Jimmy Jones)  
Bring 'em Dead or Alive  
Ah-oh no, bring 'em Dead or Alive(Cam'Ron talking over the )  
Uh. killa. Dip Set. Santana. Freaky. Jim Jones(1)  
Yo, yo, yo, the way I been treated in this industry? Not nicely  
Little faggot motherfucker like (Mike Lightly)  
Tried to get someone to pop my chain  
Getting robbed dog, is not my game  
My nigga hopped out the van real quick, cocked that thang  
Reversed the situation, popped his chain  
Be happy we ain't pop his brain  
Aiyoo, I treat that show money, Mike.  
Like it's coke money, aight?  
So you better have it, consequence could be a casket  
I'm beyond forensic, a menace wit' a matic  
I'ma leave 'em in the streets just splattered  
Beat and battered, fuck cops, police don't matter  
Bring 'em to me  
Bring 'em Dead or Alive  
Ah-oh no, bring 'em Dead or Alive(Jim Jones talking over )  
Triple noooooo, Come on, Bs Up, Dip Set, uh(2)  
Yo, aiyyo I pop to my name  
With not a dollar, not a cent, not a rock to my name  
Yo I'ma keep it funky dog to hop my chain  
For a block and cocaine, now it's back to my block and cocaine  
You know, re-in up, and fillin' up them pots with cocaine  
Then you chop it up, and bottle up and top the cocaine  
Got watch for the cops and dey chains  
For them diplomatic affairs, automatic'll flare  
I whips everything from automatics to gears  
Yeah, you know sticks I clutch 'em  
Shots with 6 I bust em, cop kicks to scuff 'em  
Fuck 'em, hop out the 6 and crush 'em  
Hop in the 6 and dust 'em, BOOM  
Bring 'em Dead or Alive  
Ah-oh no, bring 'em Dead or Alive(3: Cam'Ron)  
Yo. aiyyoo, these niggaz talkin' shit?  
They about to get hit with fuckin' clips  
You better let 'em know  
I got girls that'll buy my a quarter  
Supply me wit' water, beef come? Drive me to borders  
Kamikazes wit' they hommies.body your daughter

Turn your whole crew into +Dodgers+ like +Tommy Lasorda+(4: Jimmy Jones)

Yeah, come on

So you faggots have that money in order

Jim'll come through in wolves and let the hungry extort ya'

Now how is that for the drama suspense?

Any beef, our piranhas get sent

Kidnap your momma for rent

Hot shots from the beretta'll a fly

I'm breakin' bread with my guys, we want 'em dead or alive

Dip Set BOOMBring 'em Dead or Alive

Ah-oh no, bring 'em Dead or Alive
