

Thank You Interlude

112

Thank you, thank you
Thank you, thank you
For loving all of me
For loving all of me
Thank you
'cos you love all of me
'cos you love all of me
Thank you love
Girl you never gave up on love
I'm so blessed to have you, you
It wasn't easy but you're still with me
I wanna thank you, oh
For making me a better man, you changed me
so that I can't live without you,
Stuck with me through the years
Thank you, thank you
Thank you, thank you
For loving all of me
For loving all of me
Thank you
'cos you love all of me
'cos you love all of me
Thank you love
Thank you, thank you
For loving all of me
