all this time,  
and all is fine,  
don't call me paranoid,  
but i think something's going on.  
i know you say,  
it looks okay, yeah, but i've got my suspicions,  
but i don't want to be like this'cos i'm a reasonable guy,  
but i can't shake this, and i don't know whyexperience brings,  
a kinda sense for these things,  
don't call me paranoid,  
but i think something's going on.  
'cos it seems alright,  
oh but it's too damn quiet,  
and i tell ya, i don't like it,  
oh god i wish it isn't so.  
'cos i'm a reasonable guy,  
but i can't shake this, and i don't know whykatie,  
will you say to me,  
will you just laugh and tell me that i've got it wrong?  
katie,  
will you say to me,  
will you just tell me please what the fuck is going on?oh for goodness sake,  
now you know i'd hate to come over obsessive,  
'cos i'm really, really, really i'm not like that at all  
did i say too much?  
yeah, well not as such,  
oh look but there i go again,  
no this really is not how i am.it's just there's something in my mind,  
that says "where were you last night?"  
katie,  
will you say to me,  
will you just laugh and tell me that i've got it wrong?  
katie,  
will you say to me,  
will you just tell me please what the fuck is going on?going on.katie,  
will you say to me,  
will you just laugh and tell me that i've got it wrong?  
katie,  
will you say to me,  
will you just tell me please what the fuck is going on?
