

Dream a Dream

Captain Jack

Dream a dream, lover, take me in your dream
Take me anywhere you please, boy, you're making me scream
Dream a dream, lover, love is just a dream
If you wanna set me free, boy, you're making me scream Ooh la la di la da da
Take me anywhere you please, boy, you're making me scream
Ooh la la di la da da
You've gotta dream a little dream Ho! One more time, I'm back with a new rhyme
Hey! Here we go again
Ha! Turn it up my friend
No! We don't stop
Ha! We rock the spot
No! We don't quit
Get ready, oh, this is it!
