

I'd Love to Lay You Down

[Daryle Singletary](#)

There's a lot of ways of sayin' what I want to say to you
There's songs and poems and promises and dreams that might come true
But I won't talk of starry skies or moonlight on the ground
I'll come right out and tell you I'd just love to lay you down
Lay you down and softly whisper
pretty love words in your ear
Lay you down and tell you all the things a woman loves to hear
And I'll let you know how much it means just having you around
Oh darling how I'd love to lay you down
There's so many ways your sweet love's made this
house into a home
You've got a way of doin' little things that turn me on
Like standing in the kitchen in your faded cotton gown
With your hair all up in curlers I'd still love to lay you down
Lay you down and softly whisper
pretty love words in your ear...
When a whole lot of Decembers are showin' in your face
Your auburn hair has faded and silver takes its place
You'll be just as lovely and I'll still be around
And if I can I know that I'd still love to lay you down
Lay you down and softly whisper pretty love words in your ear...
Lay you down and softly whisper pretty love words in your ear...
Oh darling how I'd love to lay you down
