

# Trouble

Coldplay

Oh no, I see  
A spider web is tangled up with me  
And I lost my head  
The thought of all the stupid things I'd said  
Oh no, what's this?  
A spider web, and I'm caught in the middle  
So I turned to run  
The thought of all the stupid things I'd done  
And I never meant to cause you trouble  
I never meant to do you wrong  
I, well if I ever caused you trouble  
Oh no, I never meant to do you harm  
Oh no, I see  
A spider web and it's me in the middle  
So I twist and turn  
But here am I in my little bubble  
Singing, I never meant to cause you trouble  
I never meant to do you wrong  
I, well if I ever caused you trouble  
Oh no, I never meant to do you harm  
They spun a web for me  
They spun a web for me  
They spun a web for me
