I Would For You

[Nine Inch Nails](#)

What a pathetic string of words
Just leave him laying on the floor
The warning posted on the door
Not over here, not anymore
There was a place it could have been
Step over all that used to be
Since you have let yourself come in
Somethings I'd rather you not seeSee I keep lying to myself
Don't know what else there is to tell
If I could be somebody else
Well I think I would for you
Didn't it seem like something more?
So long I can't remember when
All this has happened all before
And this will happen all again
And I only have myself to blame
And I only have myself to blame
See I keep lying to myself
Don't know what else there is to tell
If I could be somebody else
Well I think I would for you
See I keep lying to myself
Don't know what else there is to tell
If I could be somebody else
Well I think I would for you
