

Give It to You (feat. Musiq Soulchild)

Meelah

It's been a long day, and I can't wait
To see your face.
Smile and perk at me
Cause a moment I see you
And you're holding your arms
Whatever was wrong, doesn't even matter at all! And it's so much on my mind
I know you can make it right
Cause it happens every time, oh, oh, oh
With you!
Hey, hey, hey, baby, I got your love,
So don't you worry!
Say hey, don't you know that I'm just gonna give it to you
Hey, hey, hey all night
We could have it all night
(I wanna give it to you!)
All night, you got me all night
Cause I've been missing you like crazy, baby!
Girl, I can't wait to get you all night long
And I won't say (a word,)
I'm just gonna take off (your clothes)
I'm gonna take (your body)
Whatever you want me to please,
All cause, when, whenever there is (on my mind)
Are you ready, are you gonna make it?
Cause it happens every time when I'm with you
All I gotta say is Hey, hey, hey, baby, I got your love
Baby, I got your love
So don't you worry!
Say hey, don't you know that I'm just gonna give it to you
Hey, hey, hey all night!
I wanna give it to you!
And you can have it all night,
You could have it all night
I wanna give it to you all night!
Cause I've been missing you like crazy, baby!
Baby, don't you feel me come in?
To give you love and...
But you can have whatever you want!
I wanna kiss you, uh
Baby to kiss you, hold you!
Make love to you
Hey, hey, hey, baby I got your love

So don't you worry, baby!
Say hey, don't you know that I'm just gonna give it to you
All night, give it to you all night
I wanna give it to you!
I'mma give it to you all night
Baby, I'm missing you, yeah, yeah
Hey, hey, hey, baby I got your love
So don't you worry, baby!
Say hey, I've got all this love just to give it to you!
All night, give it to you all night
I'm gonna give it to you
Missing you like crazy!
