

# We Got the World

## Icona Pop

They say you're a freak when we're having fun  
Say you must be high when we're spreading love  
But we're just living life and we never stop  
We got the world  
We got the wo-wo-wo-wo-wo...We can live fast, fly young  
Everyday we celebrate just like we want  
- Only you and I, DIW  
We found a way to live the dream until we dieJust come into my arms  
I will get you life drunk  
We'll be burning ground  
Us against the world tonight  
They say you're a freak when we're having fun  
Say you must be high when we're spreading love  
But we're just living life and we never stop  
We got the world  
We got the wo-wo-wo-wo-wo...Black shades, bright nights  
Back to back we'll do this 'til the end of time  
You and I live don't learn  
Everyday we fire it up and let it burnJust come into my arms  
I will get you life drunk  
We'll be burning ground  
Us against the world tonightThey say you're a freak when we're having fun  
Say you must be high when we're spreading love  
But we're just living life and we never stop  
We got the world  
We got the wo-wo-wo-wo-wo...  
They say you're a freak when we're having fun  
Say you must be high when we're spreading love  
But we're just living life and we never stop  
We got the world  
We got the world  
We got the world
