

# Work It Out (feat. Digital Farm Animals)

## Netsky

Don't you walk away  
I've given too much of me  
Can't you understand?  
I know that it's hard to see  
Time is on our hands  
And I don't wanna waste no more  
I can't afford to lose you But we can, we can, we can, we can work it out  
Even if we try and it all burns down  
We can, we can, we can, we can work it out  
Even if we try and it all burns down  
We can, we can, we can, we can work it out  
Even if we try and it all burns down  
We can, we can, we can, we can work it out  
Even if we try and it all burns down  
We can, we can, we can work it out  
We can, we can, we can work it out  
We can, we can, we can work it out  
We can, we can, we can work it out  
We can, we can, we can work it out  
But we can, we can, we can, we can work it out  
Even if we try and it all burns down  
We can, we can, we can, we can work it out  
Even if we try and it all burns down  
But we can, we can, we can, we can work it out  
Even if we try and it all burns down  
We can, we can, we can, we can work it out  
Even if we try and it all burns down  
We can, we can, we can work it out  
We can, we can, we can work it out  
We can, we can, we can work it out  
We can, we can, we can work it out
