

# Spiralling

Keane

Ohh!  
Ohh! I'm waiting for my moment to come  
I'm waiting for the movie to begin  
I'm waiting for a revelation  
I'm waiting for someone to count me in 'Cause now I only see my dreams, in everything I touch  
Feel their cold hands on, everything that I love  
Cold like some, magnificent skyline  
Out of my reach, but always in my eyeline now We're tumbling down  
We're spiralling  
Tied up to the ground  
We're spiralling  
I fashioned you from jewels and stone  
I made you in the image of myself  
I gave you everything you wanted  
So you would never know anything else But everytime I reach for you, you slip through my  
fingers  
Into cold sunlight, laughing at the things that  
I had planned, the map of my world gets  
Smaller as I sit here, pulling at the loose threads now We're tumbling down  
We're spiralling  
Tied up to the ground  
We're spiralling When we fall in love  
We're just falling  
In love with ourselves  
We're spiralling  
Did you wanna be a winner?  
Did you wanna be an icon?  
Did you wanna be famous?  
Did you wanna be the president?  
Did you wanna start a war?  
Did you wanna have a family?  
Did you wanna be in love?  
Did you wanna be in love? I never saw the light  
I never saw the light  
I waited up all night  
But I never saw the light When we fall in love  
We're just falling  
In love with ourselves  
We're spiralling We're tumbling down  
We're spiralling  
Tied up to the ground  
We're spiralling Ohh!

Ohh!
