

Tradewinds

Pepper

"my heavens low but the songs the same
seems I'm always looking when I hear your name
you've been away but don't leave this side
seen all of your faces you've tried to hide
so I'm sitting here in a train station
lord knows I'll step with no hesitation
oh I seen through your lies
still I'm one still I'm one to testify and I say chorus
I'll find a way to let you know
hold me close when tradewinds blow
chances are you're over me, I'll catch that train eventually
to the questions that you're asking
I've only expected everything
these arms of mine are burning
as I see, as I see those pages turning, and I say
chorus 2x
my heavens low but the songs the same
seems I'm always looking when I hear your name
you've been away but don't leave this side
seen all of your faces you've tried to hide
so I'm sitting here in a train station
lord knows I'll step with no hesitation
oh I seen through your lies
still I'm one still I'm one to testify and I say chorus 2x Said I'm sorry 2x
I'm a lover, I'm a lover who says he's sorry
Said I'm sorry 2x
I'm a lover, I'm a lover who says he's sorry Said I'm sorry 2x
I'm a lover who says he's sorry
