# Sandman

## BRONCHO

[Verse 1]
Oh, man
Oh, Mister Sandman
I want it in bed
Or nothing at all
I sleep on empty
Can't beat me
I want it in bed
Or nothing at all
[Chorus]
Hey there, hey there
Mister, mister
No, please don't leave me alone
What'd you bring me, bring me?
No, hey, don't leave me alone
Rock bottom, feed me, feed me
I won't go early
R-r-ring![Verse 2]
Oh, man
Oh, I don't know, man
Make him the cutest
Or nothing at all
I sleep on empty
Can't beat me
I want it in bed
Or nothing at all
[Chorus]
Hey there, hey there
Mister, mister
No, please don't leave me alone
What'd you bring me, bring me?
No, hey, don't leave me alone
Rock bottom, feed me, feed me
I won't go early
R-r-ring!
