

# Checkin' Up On My Baby

Taj Mahal

[Junior Wells]Checkin' on my baby, see what she puttin' down  
So many days and nights I been out of town  
I wouldn't call home, and I wouldn't even write  
I bought me a plane and flew back the same night  
Checkin' on my baby, find out what she puttin' down  
Checkin' up on my baby, find out what she puttin' down  
So many nights and days I been out of town
