Method Man

You're all that I need, I'll be there for you
If you keep it real with me, I'll keep it real witchu
Loving your whole schemes, it be in there boo
On top of that you got the good Power-UShorty, I'm there for you anytime you need me
For real girl, it's me in your world, believe me
Nuttinâ€™™ make a man feel better than a woman
Queen with a crown that be down for whateverThere are few things that's forever, my lady
We can make war or make babies, back when I was nuttinâ€™™
You made a brother feel like he was something
That's why I'm with you to this day boo, no frontin'Even when the skies were gray
You would rub me on my back and say, "Baby it'll be okay"
Now that's real to a brother like me, baby
Never ever give my pussy away and keep it tight, aight
And I'ma walk these dogs so we can live
In a fat ass crib with thousands of kids
Word life, you don't need a ring to be my wife
Just be there for me and I'ma make sure weBe livin' in the fucking lap of luxury
I'm realizing that cha didn't have to fuck with me
But cha did, now I'm going all out kid
And I got mad love to give, you my niggaYou're all that I need, I'll be there for you
If you keep it real with me, I'll keep it real witchu
Loving your whole schemes, it be in there boo
On top of that you got the good Power-UYou're all that I need, I'll be there for you
If you keep it real with me, I'll keep it real witchu

I got a love jonz for your body and your skin tone
Five minutes alone I'm already on the bone
Plus I love the fact you got a mind of your own

Three-fourths of cloth, never showin' your stuff off, booIt be true me for you, that's how it is
