

Alone

Toto

I woke up one Sunday morning
Another twenty years gone by
Pulled myself out of my bed
It's getting harder every time
Grabbed my phone but there's no messages at all
Then I realise there's no-one left to call
CHORUS:
Woah oh-oh
Seems that things aren't what they used to be
Woah oh-oh
Can't cry anymore
I'm alone
Woah oh-oh
Where did everyone go
I drive to work every morning
And no-one looks me in the eye
It feels like love has left the world
And I can't help but wonder why
I had that dream again where I begin to fall
And on the way down I learnt the meaning of it all
CHORUS:
Woah oh-oh
Seems that things aren't what they used to be
Woah oh-oh
Can't cry anymore
I'm alone
Woah oh-oh
Where did everyone go
INSTRUMENTAL
I went to sleep last night
And woke up in the foam(?)
can't understand this line
CHORUS
