

Oh to Be Loved

Thad Cockrell

Oh to be loved by Jesus
Oh to be loved by him
Oh to have joy and peace within
Oh to be loved by him
He knows the names of my sorrows
He knows the names of my fears
Why should I let them bother me
for I know He is near
Oh to be loved by Jesus
Oh to be loved by him
Oh to have joy and peace within
Oh to be loved by him

...

And if no other will love me
in this life I own
oh, there'd be no love I would long for
I know I am His own
Oh to be loved by Jesus
Oh to be loved by Jesus
Oh to be loved by Jesus
