

Hunnid (feat. Joyce Wrice)

Asher Roth

Yeah These dollar signs are blinding, kind of ironic
More money, more problems, that was honest
define us and cause violence
Small riots for products that's no solace
While the TV plugs prescription drugs and feed us sludge
Survivors are seen as thugs
bud
Just trying to keep the head up above rushing water
Get up out the mud, but
Can't afford what they selling it for
Health insurance ain't helping the poor, they yelling for more
Check the score, if you sport
No rhetoric if it happened before
We don't really need it just to have a good time
But gotta get that money so that we can stay alive
Gotta get that money
Gotta get that money
Gotta get that money
Gotta get that money So of course
Packed with fees like they gon' pay it back with ease
Tacking 15% on a fleece
'Cause dad's already financed the lease
And the mortgage need more shifts
Forty more ticks on the clock and the store gets sort of morbid
Forfeit any fortune
Only course is recording, going touring, get endorsements
Sure but the chances are slim, one in a million
More like one in a trill
That's why they dealing in utilities, fossil fuels, electricity
You rapper fools better not miss a beat
I wonder if they even read speech
See the G's watching the green increase
We don't really need it just to have a good time
But gotta get that money so that we can stay alive
Gotta get that money
Gotta get that money
Gotta get that money
Gotta get that money
We don't really need it just to have a good time
But gotta get that money so that we can stay alive
Gotta get that money
Gotta get that money

Gotta get that money
Gotta get that money We don't need it, but you gotta get it
We don't need it, but you gotta get it
