

# Cry

## Paul Balancio

You're like a fire  
Burning farther  
You're like a stony  
Rocky mountain  
You're awfully charming  
Stop it, you're the one that I love  
You're like a pillow  
I hold everytime I cry and cry and cry and cry  
I cry and cry and cry and cry  
I cry and cry these lonely nights  
It means so much to hold you tight Cry and cry and cry and cry and  
Cry and cry and cry and cry and  
Cry and cry and cry and cry  
It means so much to hold you tight  
You're like a passion  
Growing, starting to begin  
You're like a empty  
Story, wanting to begin  
You're like a memory  
Flashing, here inside my head  
You're like a stranger  
Why can't you understand that I cry and cry and cry and cry  
I cry and cry and cry and cry  
I cry and cry these lonely nights  
It means so much to hold you tight Cry and cry and cry and cry and  
Cry and cry and cry and cry and  
Cry and cry and cry and cry  
It means so much to hold you tight  
I cry and cry and cry and cry  
I cry and cry and cry and cry  
I cry and cry these lonely nights  
It means so much to hold you tight I cry and cry and cry and cry  
I cry and cry and cry and cry  
I cry and cry these lonely nights  
It means so much to hold you tight Cry and cry and cry and cry and  
Cry and cry and cry and cry and  
Cry and cry and cry and cry  
It means so much to hold you tight Cry and cry and cry and cry and  
Cry and cry and cry and cry and  
Cry and cry and cry and cry  
It means so much to hold you tight
