

# Blue Monday

## Nouvelle Vague

How does it feel  
To treat me like you do  
When you let your hands upon me  
And told me who you are I thought I was mistaken  
I thought I heard your words  
Tell me how do I feel  
Tell me now how do I feel Those who came before me  
Lived through their vocations  
From the past until completion  
They'll turn away no more  
And I still find it so hard  
To say what I need to say  
But I'm quite sure that you'll tell me  
Just how I should feel today I see a ship in the harbor  
I can and shall obey  
But if it wasn't for your misfortune  
I'd be a heavenly person today And I thought I was mistaken  
I thought I heard you speak  
Tell me how do I feel  
Tell me now, how should I feel  
I thought I told you to leave me  
While I walked down to the beach  
Tell me how does it feel  
When your heart grows cold  
When your heart grows cold  
When your heart grows cold
