

Where'd You Go

Destiny's Child

Oh baby, where'd you go, I need you back with me
Oh baby, where'd you go, I need you back with me
Oh baby, where'd you go, I need you back with me
Oh baby, where'd you go, oh baby, where'd you go
Where'd you go, where'd you go
So baby, please come back to me It has been 5 days you haven't called me
Do you still want me? Still need me?
Am I on your mind? Are you thinking of me?
Are you missin' me like I miss you?
Crying constantly running out of reasons
Why I haven't heard from you, I'm worried
Got me doin' crazy things I can't even sleep
Gotta get you back to me
Where'd you go? I don't know
I know that I need you in this heart of mine
So baby, please come back to me
I know I can't live my life without you
Where'd you go? I don't know
I know that I need you in this heart of mine
So baby, please come back to me
I know I can't live my life without you Thinking of everything that you told me
Said you'd never leave me, deceive me
Got my mind thrown off, did you just use me?
Boy, you confuse me, don't lose me
I can't deal with all the pain and hell you put me through
'Cause I'm still missin' you, wanna be with you
Without you here I'm breakin' down inside
Oh baby, tell me why, why did you hurt me, hurt me?
Where'd you go? I don't know
I know that I need you in this heart of mine
So baby, please come back to me
I know I can't live my life without you
Where'd you go? I don't know
I know that I need you in this heart of mine
So baby, please come back to me
I know I can't live my life without you Destiny's child help me out
It's my destiny to have you here with me
It's my destiny to have you here with me
It's my destiny to have you here with me
It's my destiny to have you here with me Where'd you go? I don't know
I know that I need you in this heart of mine
So baby, please come back to me

I know I can't live my life without you
Where'd you go? I don't know
I know that I need you in this heart of mine
So baby, please come back to me
I know I can't live my life without you Where'd you go? I don't know
I know that I need you in this heart of mine
So baby, please come back to me
I know I can't live my life without you
Where'd you go? I don't know
I know that I need you in this heart of mine Thou shall know when he's gotta go
