

A House of Gold

Tim O'Brien & Darrell Scott

Some people cheat, they steal and lie
For wealth and what it will buy
But don't they know on the judgment day
All the Gold and silver will melt away? What good is gold and silver, too?
If your hearts not pure and true
Sinner, hear me when I say
You gotta get down down on your knees and pray I'd rather be in a deep, dark grave
And know that my poor soul was saved
And to live in this world in a house of gold
And deny my God and loose my soul
Some people cheat, they steal and lie
For wealth and what it will buy
But don't they know on the judgment day
All the Gold and silver will melt away?
Sinner, hear me when I say
You gotta get down down on your knees and pray
(your knees and pray)
