

# Better Days (feat. DDG)

## Paidway T.O

Moved to Cali for the better days  
Asked God for a better way  
Young nigga and im getting paid  
I just bought a new AK  
Fuck nigga I'ma let it spray  
Choppa sing like Beyonce  
'Bout the money we won't ever play  
I'ma pull up where ya mama stay  
VIP I be in the ville  
Wait in line no we only skip  
Off the henny i just took a sip  
Grab a shordy by her fucking hip  
I got a bad bitch in my lap right now and she wanna come home with me  
I got a big Glock and I will use it nigga ain't no hoe in me  
I got a bad bitch on my line  
If u dont want me bitch its fine  
I got a little bad bitch  
And she in the benz  
And these niggas be talking  
He won't do it again  
I just flipped a brick  
I just hit a lick  
Fuck that nigga bitch  
Now that nigga sick  
Codeine in my piss  
Walk in the mall with a stick  
Can't trust these niggas they hiss  
Just suck my dick dont kiss  
My new bitch throwing a fit  
I got too many hoes  
Neck and wrist on froze  
I just hit the store  
Bought designer clothes  
Bitch I'll kick yo door  
Make u hit the floor  
Shoot u through the peephole  
Yeah, trust a nigga and he told  
Fuck that bitch  
Yeah i had to do her bold  
I told that bitch my heart is cold  
I can't love no more
