

# The Right Stuff (Psychemagik Rework)

## Noel Gallagher's High Flying Birds

Out of the blue I heard an angel say  
"Give me your soul and I'll be on my way"  
You and I got the right stuff  
You and I got the right stuff Are you a sleeper or a mortal soul?  
Are you the devil with a heart of gold?  
You and I got the right stuff  
You and I got the right stuff When your heart gets shattered and your jeans get frayed  
And your baby sings the morning at the end of the day  
When your heart gets shattered and your jeans get frayed  
And your baby sings the morning at the end of the day  
You and I got the right stuff  
You and I got the right stuff  
You and I got the right stuff  
You and I
