

Musta Notta Gotta Lotta

Joe Ely

Please understand me everything's all right
I just musta notta gotta lotta sleep last night I was high flyin' down the riverside drive
Rockin' to the radio man alive
Stopped into a joint bought a round of booze
Hot dog I got a buzz in my shoe Please understand me everything's all right
I just musta notta gotta lotta sleep last night Writin' you a letter it's late in the night
Sittin' in a cafe honey eatin' a bite
I'm telln' you about where all I've been
Hot dog I'm gone again
Please understand me everything's all right
I just musta notta gotta lotta sleep last night Now there's two kind of people in this big 'ol town
There's the early to rise and the late to go down
I guess I better find a better way to stop the clock
Hot dog I like it a lot Hot dog I like it a lot
Please understand me everything's all right
I just musta notta gotta lotta sleep last night, yeah, hot dog Please understand me everything's all
right
I just musta notta gotta lotta sleep last night
