## Empire of the Sun

Together we can (Together we can do it)  
Together we can (Together we can do it)  
Together we can (Together we can do it) Together we can (Together we can do it) Together we  
can (Together we can do it)  
Together we can (Together we can do it)  
Together we can (Together we can do it)  
Together we can (Together we can do it) If I [?] say a goodbye  
I don't know what I'd do, no, no  
If I'm gonna make you break and cry  
I don't wanna know how bad gets  
Don't go falling away, you gotta make that break  
Don't you turn into waste, we got it  
You have me Together we can (Together we can do it)  
Together we can (Together we can do it)  
Together we can (Together we can do it)  
Together we can (Together we can do it) If I [?] look into your eyes  
Think I just should through, oh oh  
If we lost the taste of [?]  
I don't want to show my face again Don't go falling away, you gotta make that break  
Don't you turn into waste, we got it  
You have me  
Together we can (Together we can do it)  
Together we can (Together we can do it)  
Together we can (Together we can do it)  
Together we can (Together we can do it)  
Together we can  
Together we can (Together we can do it)  
(Together we can do it)  
(Together we can do it)  
Together we can Together we can (Together we can do it)
