

Wild Child

Enya

Ever close your eyes
ever stop and listen
ever feel alive
and you've nothing missing
you don't need a reason
let the day go on and on Let the rain fall down
everywhere around you
give into it now
let the day surround you
you don't need a reason let the rain go on and on What a day what a day to take to
what a way
what a way
to make it through
what a day what a day to take to
a wild child
Only take the time from the helter skelter
every day you find everything's in kilter
you don't need a reason
let the day go on and on Every summer sun every winter evening every spring to come
every autumn leaving you don't need a reason
let it all go on and on
What a day
what a day to take to
what a way
what a way
to make it through
what a day
what a day to take to
a wild child
What a day
what a day to take to
What a way
what a way
to make it through
What a day
what a day to take to
a wild child
What a day
what a day to take to
what a way
what a way
to make it through

what a day
what a day to take to
Da-da-da
Da-da-da-da-da-da
what a way
what a way
to make it through
Da-da-da
Da-da-da-da-da-da
Da-da-da
Da-da-da-da-da-da
What a way
what a way
to make it through
what a day
what a day to take to
a wild child
what a day
what a day to take to
a wild child
