

# Solitary Man

Neil Diamond

Melinda was mine  
'Til the time that I found her  
    Holdin' Jim  
    And lovin' him  
    Then Sue came along  
Loved me strong, that's what I thought  
    Me and Sue  
That died, too Don't know that I will  
    But until I can find me  
    A girl who'll stay  
And won't play games behind me  
    Then I'll be what I am  
    A solitary man  
    Solitary man  
    I've had it to here  
Bein' where love's a small word  
    Part-time thing  
    Paper ring  
    I know it's been done  
    Havin' one girl who loves you  
    Right or wrong  
Weak or strong Don't know that I will  
    But until I can find me  
    A girl who'll stay  
And won't play games behind me  
    I'll be what I am  
    A solitary man  
    Solitary man  
    Don't know that I will  
    But until I can find me  
    A girl who'll stay  
And won't play games behind me  
    Then I'll be what I am  
    A solitary man  
    Solitary man  
    Solitary man  
    Solitary man
