

# No Love (feat. Lil Wayne)

Eminem

Throw dirt on me and grow a wildflower  
But it's "fuck the world", get a child out her Yeah, my life a bitch, but you know nothing bout  
her  
Been to hell and back, I can show you vouchers I'm rolling Sweets, I'm smoking sour  
Married to the game but she broke her vows That's why my bars are full of broken bottles  
And my night stands are full of open Bibles I think about more than I forget  
But I don't go around fire expecting not to sweat And these niggas know I lay them down, make  
your bed  
Bitches try to kick me while I'm down: I'll break your leg Money outweighing problems on the  
triple beam  
I'm sticking to the script, you niggas skipping scenes  
Be good or be good at it  
Fucking right I've got my gun, semi-Cartermatic Yeah, put a dick in their mouth, so I guess it's  
"fuck what they say" I'm high as a bitch: up, up and away  
Man, I come down in a couple of days OK, you want me up in the cage, then I'll come out in  
beast mode I got this world stuck in the safe, combination is the G-code It's Weezy  
motherfucker, blood gang and I'm in bleed mode All about my dough but I don't even check the  
peephole So you can keep knocking but won't knock me down No love lost, no love found  
It's a little too late to say that you're sorry now You kicked me when I was down But what you  
say, just (don't hurt me, don't hurt me no more) That's right bitch: and I don't need you, don't  
want to see you  
Bitch you get (no love) You show me nothing but hate  
You ran me into the ground  
But what comes around goes around I don't need you (don't hurt me) You (don't hurt me no  
more) That's right, and I don't need you, don't want to see you  
You get (no love)  
Bitch you get (no love)  
And I don't need you Get 'em I'm alive again More alive than I have been in my whole entire life I  
can see these people's ears perk up as  
I begin to spaz with the pen, I'm a little bit sicker than most  
Shit's finna get thick again They say the competition is stiff  
But I get a hard dick from this shit, now stick it in  
I ain't never giving in again Caution to the wind, complete freedom Look at these rappers, how I  
treat them  
So why the fuck would I join them when I beat 'em They call me a freak cuz  
I like to spit on these pussies 'fore I eat them Man get these whack cocksuckers off stage Where  
the fuck is Kanye when you need him? Snatch the mic from him,  
bitch I'mma let you finish in a minute Yeah the rap is tight  
But I'm 'bout to spit the greatest verse of all time  
So you might want to go back to the lab tonight and um Scribble out them rhymes you were  
going to spit And start over from scratch and write new ones  
But I'm afraid that it ain't gonna make no difference When I rip this stage and tear it in half

tonight  
It's an adrenaline rush to feel the bass thump  
In the place all the way to the parking lot,  
fellowSet fire to the mic and ignite the crowd  
You can see the sparks from hot metalCold-hearted from the day I Bogarted the game  
I so started to rock fellowWhen I'm not even in my harshest  
You can still get roasted because Marsh is not mellowTil I'm toppling from the top  
I'm not going to stopI'm standing on my Monopoly board  
That means I'm on top of my game and it don't stop  
'Til my hip don't hop anymore (shit)When you so good that you can't say it  
Because it ain't even cool for you to sound cocky anymorePeople just get sick cause you  
spitThese fools can't drool or dribble a drop anymore  
And you can never break my strideYou never slow the momentum at any moment I'm about to  
blowYou'll never take my pride  
Killing the flow, slow venom and the opponentIs getting no mercy, mark my words  
Ain't letting up, relentlessI smell blood, I don't give a fuck  
Keep giving them hellWhere was you when I fell and needed help up?  
You get no loveIt's a little too late to say that you're sorry now  
You kicked me when I was downBut what you say, just (don't hurt me, don't hurt me no  
more)That's right bitch: and I don't need you, don't want to see youBitch you get (no love)  
You show me nothing but hateYou ran me into the ground  
But what comes around goes aroundI don't need you (don't hurt me)  
You (don't hurt me no more)That's right, and I don't need you, don't want to  
see youYou get (no love)  
Bitch you get (no love)  
And I don't need you
