

# Permanent

David Cook

Is this the moment where I look you in the eye?  
Forgive my broken promise that you'll never see me cry  
And everything, it will surely change  
Even if I tell you I won't go away today Will you think that you're all alone  
When no one's there to hold your hand?  
When all you know seems so far away  
And everything is temporary, rest your head  
I'm permanent I know he's living in hell every single day  
And so I ask, oh God is there some way for me to take his place?  
And when they say it's all touch and go  
I wish I could make it go away but still you say  
Will you think that you're all alone  
When no one's there to hold your hand?  
When all you know seems so far away  
And everything is temporary, rest your head  
I'm permanent, I'm permanent  
Is this the moment where I look you in the eye?  
Forgive my promise that you'll never see me cry
