

# Days Go By (CamelPhat Remix)

## Dirty Vegas

You

You You are still a whisper on my lips

A feeling at my fingertips

That's pulling at my skin You leave me when I'm at my worst

A feeling as if I've been cursed

Bitter cold within Days go by and still I think of you

Days when I couldn't live my life without you

Days go by and still I think of you

Days when I couldn't live my life without you

Without you

Without you

You are still a whisper on my lips

A feeling at my fingertips

That's pulling at my skin You leave me when I'm at my worst

A feeling as if I've been cursed

Bitter cold within Days go by and still I think of you

Days when I couldn't live my life without you

Without you

Without you

Days go by and still I think of you

Days when I couldn't live my life without you

Days go by and still I think of you

Days when I couldn't live my life without you

Without you

Without you

Without you

Without you

Without you
