## J. Holiday

everyday youre gone  
its killin me to be without you  
cant make it aloneeveryday youre gone  
its killin me to be without you  
cant make it alone  
girl cause im missin youits like i got a hangover  
i cant get you outta my head  
jus like i wrecked my new rover  
girl i cant get you out of my head  
and i aint never been low but  
its like im broke and im outta the game  
so i swallow my pride if thats the only way  
to make it better babe  
i kno i been wrong (kno i been wrong)  
& we been fightin so long (we been fightin so long)  
come & see about me (come & see about me)  
its gettin hard to breathe (ooohhh)

everyday youre gone  
its killin me to be without  
without you
